You are invited to join other family members and friends of individuals diagnosed with mental illness when we gather together for an evening of sharing and support.

This group will follow a true support group model: everyone will get a chance to speak about what is happening in their lives, and be able to solicit support, advice and suggestions from other group members.

SHARING AND CARING FAMILY AND FRIENDS SUPPORT GROUP will be held at 169 Elm Street, Waltham in the 2nd floor kitchen. If you have questions or need directions, please contact Janet Hodges at 781-761-5287
